CEDARBROOKE
retirement residence

making people's lives **BETTER**

Lead the **social, worry-free lifestyle** you deserve in a residence defined by **energy, engagement and enjoyment.**

PART OF OUR LOCAL COMMUNITY SINCE 2013

Chartwell Cedarbrooke is a contemporary retirement residence in Mission that caters to active seniors looking for a social, fulfilling lifestyle. Our residence is known for its stylish, modern décor, energetic community atmosphere and highly personalized service. In fact, many compare our lifestyle to a “cruise ship that never leaves the dock,” where you can enjoy the finer things in life for your best retirement years.

We pride ourselves on offering particularly spacious accommodations that are bright and airy,

some featuring full kitchens or kitchenettes. You will feel right at home here, thanks to a variety of convenient services like delicious dining packages featuring daily wine service, housekeeping and recreational experiences. If you’re looking for some extra personal support, home care providers can come in to help you feel your best each day. We also have an attending physician who comes in weekly and a visiting hearing company and reiki/acupressure clinic.

OUR UNIQUE LIFESTYLE

We offer a variety of attractive amenities that act as an extension of your private living space. We have a gorgeous outdoor patio that is the ideal place for your morning coffee and paper, chatting with friends or simply taking in some fresh air. Our indoor therapeutic pool, where we conduct our Aquafit classes, is also a favourite. And don't forget our theatre, fitness room, bistro and a community kitchen that many residents book for family parties and celebrations.

Most special is our residents themselves: an active, younger crowd who lead full lives both inside and outside our home. They often meet up with friends for drinks, travel and take full advantage of all that Mission has to offer. You can look forward to meeting new friends during meals, our popular Happy Hour or even at one of our many fundraising activities.
