

CHARTwell
LAKESHORE
retirement residence

making people's lives BETTER[®]

Newly-renovated retirement community promoting an independent and supportive lifestyle **along the shores of Lake Ontario.**

PART OF THE BURLINGTON COMMUNITY SINCE 1997

Chartwell Lakeshore overlooks the sparkling shores of Lake Ontario, meaning you can enjoy stunning views of the water from almost anywhere in our home. Our residents love to admire the lake from our gorgeous dining room and terrace while enjoying restaurant-style service, either indoors or outdoors. The picturesque views, paired with the lively and engaging conversation that defines our community atmosphere, make our home feel like a retreat you never have to leave.

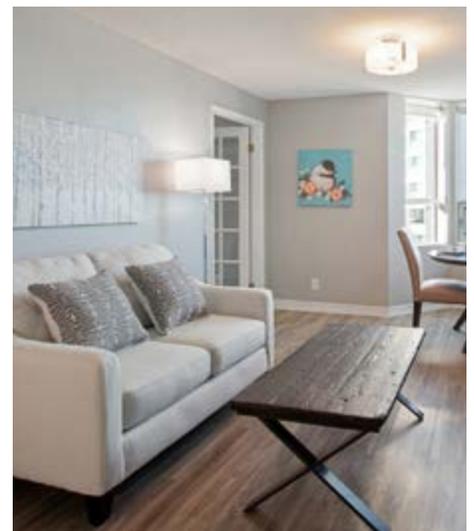

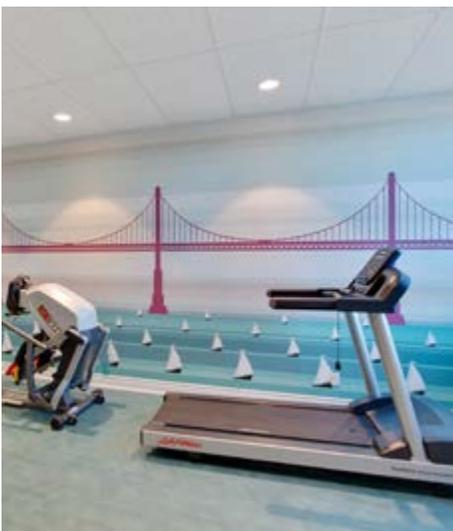

Our residence is nearby several different amenities in Burlington that are a short walk away—including coffee shops, grocery stores and pharmacies across the street—as well as lush parkland and paths along the waterfront. If you don't fancy a stroll, we also provide underground parking spots for residents who still wish to drive, as well as transportation services upon appointment.

OUR UNIQUE LIFESTYLE

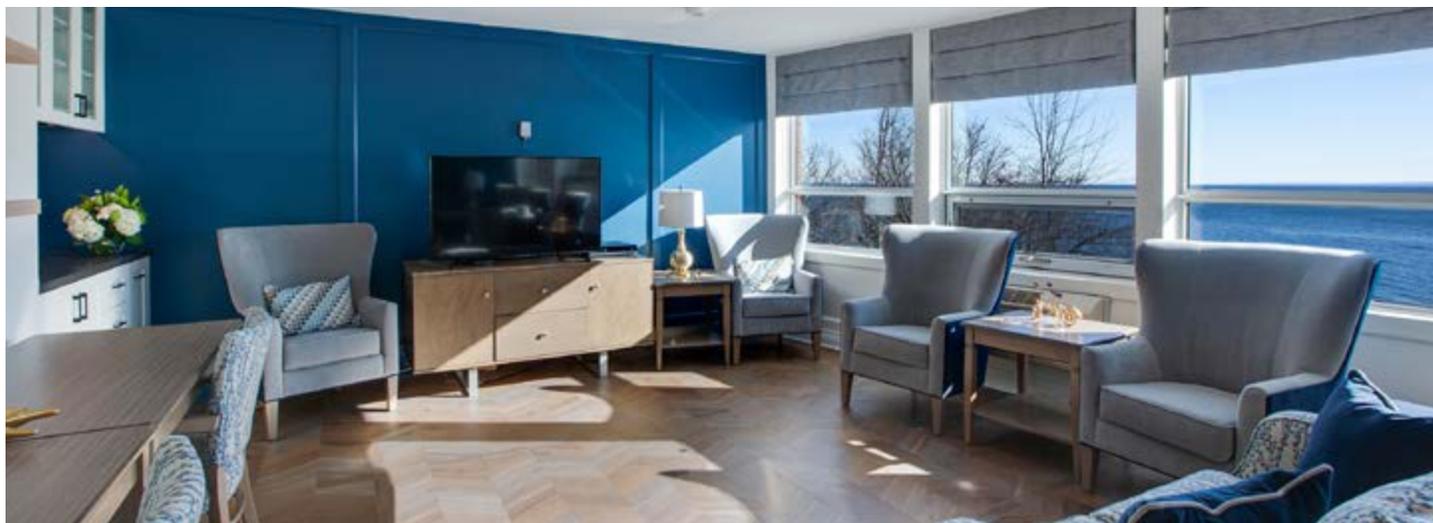

Our retirement community offers a vibrant lifestyle personalized to how you want to live. Here, you can choose from a range of living and support options that provide you with convenience, flexibility and peace of mind, including independent supportive living and dedicated assisted living.

We just underwent a modern renovation to create on-site amenity spaces that serve as an exciting extension of your living space. Grab a cup of coffee in our sociable bistro; take in a sports game or partake in a card tournament in our lounge; leaf through the latest thriller in our contemporary library; or break a sweat in our fitness room with our workout equipment—the choice is yours! You'll find the familiarity of home collides with a high-end hotel feel, creating a new sense of possibility each day.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
