Located in the heart of historic downtown Aurora, we're directly on Yonge Street and nearby a variety of walkable local amenities and restaurants. Our retirement community offers bright and spacious studio and one-bedroom

suites featuring gorgeous bay windows offering views of the surrounding neighbourhood. We're known for our excellence in care, inclusivity and long-standing staff who've built their reputation on respect and trust.

## OUR UNIQUE LIFESTYLE

When you move in, you'll appreciate the peace of mind that comes from having a dedicated doctor's office in our wellness centre and knowing that personal care services, such as medication management or assistance with your morning or evening routine, are available as your needs evolve. We even have access to a Hoyer-lift for individuals who need extra assistance.

With so many valuable care services available and delivered in the privacy of your suite, we can create and tailor a plan of care that reflects your needs and preferences and allows you to comfortably age in place without the need for multiple moves. Our staff get to know you well so they can promote your health, comfort and happiness—exactly what deserve in your retirement years.
