

CHARTwell
THUNDER BAY
retirement residence

making people's lives **BETTER**

Experience **flexible** retirement living featuring **gorgeous greenspace** and **wildlife sightings** in **Thunder Bay**.

PART OF OUR LOCAL COMMUNITY SINCE 2006

Chartwell Thunder Bay is a grand retirement residence in the Port Arthur area offering independent supportive living suites in our main retirement residence, as well as independent seniors' townhomes on the property. Our stunning location is surrounded by Boreal Forest and within close walking distance of Boulevard Lake. Living along protected conservation area means our residents often enjoy wildlife sightings, including

regular glimpses of white-tailed deer while dining alongside friends!

Though we enjoy the tranquility of nature due to our expansive property and greenspace, our retirement community is also nearby many convenient local amenities, including banks, eateries, places of worship, public transit, and a shopping centre a mere five minutes away.

OUR UNIQUE LIFESTYLE

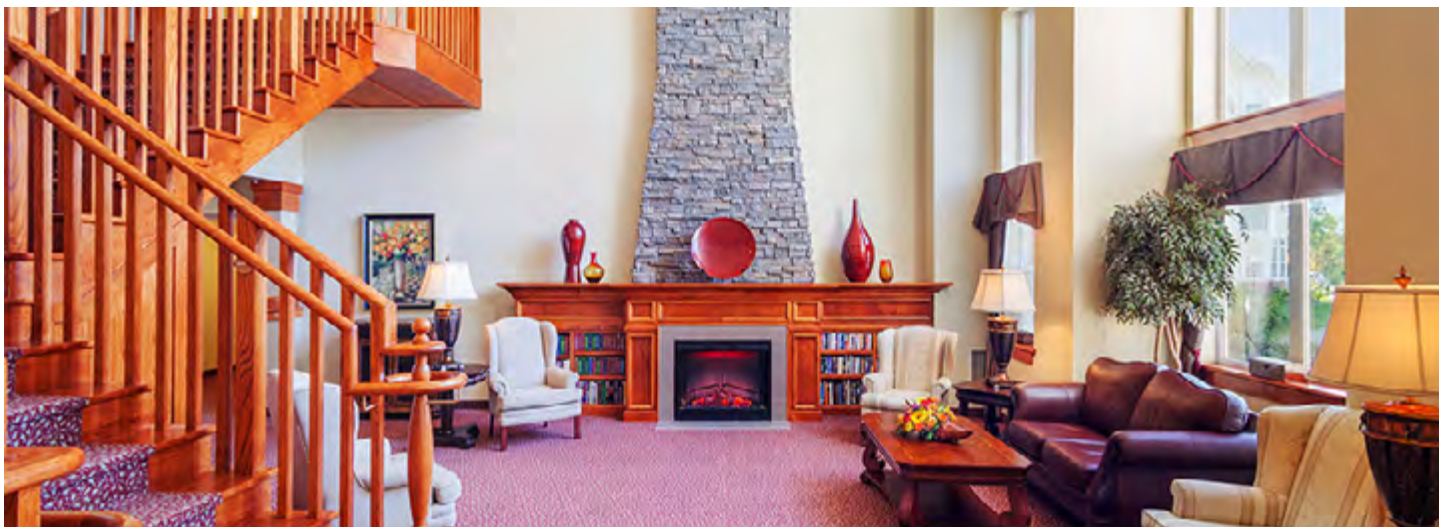

When you walk through our doors, you'll be struck by the thoughtful design and rich colour palette of our residence. Our home has a feeling of grandeur, thanks to our striking staircase, stone fireplace, soaring ceilings and bright dining room, featuring large windows overlooking our lush backyard. In addition to well-appointed studio and one-bedroom suites, we also have two-bedroom suites with two bathrooms and independent townhomes—a unique offering in the Thunder Bay area.

Though our home feels spacious, you'll find there's a palpable sense of community among our residents and staff, who support and enjoy one another. Here, you may find yourself relaxing in our fireplace lounge with a good book, enjoying a great meal and conversation with friends in the dining room, or getting some fresh air as you travel the walking paths that wind around our building and connect to the nearby city hiking trail.

Explore our Living at Chartwell brochure to learn more about dining, lifestyle activities and personalized care services.
