

DO'S

DO wear a non-medical mask or face covering to protect others.

DO wash your reusable mask with hot, soapy water and let it dry completely before wearing it again.

DO use the ear loops or ties to put on and remove the mask.

DO inspect the mask for tears or holes.

DO discard non-reusable masks that cannot be washed in a plastic-lined garbage bin after use.

DO replace and launder your reusable mask whenever it becomes damp or dirty.

DO wash your hands or use alcohol-based hand sanitizer before and after touching the mask or face covering.

DO ensure the mask is made of at least two layers of tightly woven fabric.

DO store reusable masks in a clean paper bag until you wear it again.

DO ensure your nose and mouth are fully covered.

DO ensure the mask or face covering is clean and dry.

DON'TS

DON'T reuse masks that are moist, dirty or damaged.

DON'T hang the mask from your neck or ears.

DON'T wear a loose mask.

DON'T touch the mask while wearing it.

DON'T leave your used mask within the reach of others.

DON'T share your mask.
