Chartwell Retirement Residences

As the owner and operator of nearly 200 locations across Canada, Chartwell Retirement Residences ("Chartwell") is one of the largest participants in the senior living sector. Our shared mission at Chartwell is to provide a happier, healthier and more fulfilling life experience for seniors, to provide peace of mind for our residents’ loved ones and to attract and retain employees who care about making a difference in our residents’ lives.

Additional information about Chartwell can be found on our website (www.chartwell.com).

Background

In 2005, the Accessibility for Ontarians with Disabilities Act ("AODA") was passed. The purpose of the AODA is to break down barriers and obstacles that keep people with disabilities from easily managing basic activities such as getting groceries, traveling and integrating into the workforce. The goal of the legislation is to achieve a fully accessible Ontario by 2025.

The regulations associated with the Integrated Accessibility Standards ("IASR") require Chartwell to establish and maintain a multi-year accessibility plan which outlines Chartwell's strategy to prevent and remove barriers for persons with disabilities and to meet its requirements under AODA.

The following accessibility standards set requirements that are applicable to Chartwell: Customer Service, Information & Communications and Employment.

Aim and Objectives

This multi-year accessibility plan will help Chartwell make advancements in meeting the requirements under the AODA. The plan outlines the specific requirements of the AODA and how Chartwell will actively work on removing barriers for people with disabilities who come to Chartwell locations.
Chartwell’s Commitment to Accessibility Planning

In keeping with our corporate values of RESPECT, Chartwell is committed to excellence in serving all customers, including people with disabilities, and will carry out its functions and responsibilities in an appropriate manner to accommodate such individuals.

As an organization, we respect and uphold the requirements set forth under the Accessibility for Ontarians with Disabilities Act (2005), Customer Service Standard and the Integrated Accessibility Standards Regulation for Information and Communications and eventually Employment, Transportation and the Built Environment.

All goods and services provided by Chartwell Retirement Residences (“Chartwell”) shall follow the principles of dignity, independence, integration and equal opportunity.

Unless otherwise noted, this multi-year plan applies to Chartwell's Ontario locations.

The Accessibility Committee

The mandate of Chartwell's Accessibility Committee is to provide overall strategic direction to enhance accessibility within our retirement and long term care residences and ensure that all requirements of the AODA are fulfilled. The Committee is responsible for establishing an accessibility plan with specific deliverables, timelines and leads.

The Committee will:

3. Review and endorse key documents related to Accessibility (e.g. policies, education materials)

5. Review reported accessibility related issues and provide recommendations to the appropriate areas/owners
6. Identify barriers to services and facilities and develop plans to remove these barriers
7. Review accessibility related to leading practices and implement as appropriate
8. Ensure accountability for legislated requirements by assigning responsibility for deliverables, monitoring progress and evaluating outcomes
The Committee is chaired by the Sr. Director Human Resources Business Partner. Committee membership includes:

- Sr. Vice President, Real Estate & Investments
